NOTICE OF LOSS OF ENTITLEMENT TO SMALL ENTITY STATUS

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

On information and belief, small entity status was initially established in good faith and certain fees were paid as a small entity in good faith. However, through error, and without deceptive intent, the Patent Office was not notified of an apparent loss of entitlement to small entity status that may have occurred in February, 2006. Accordingly, pursuant to the provisions of 37 C.F.R. 1.28(c) and out of an abundance of caution that the present patent may not qualify for small entity status at this time, Applicants provide this submission along with the following itemization and fee calculation.

The Commissioner is hereby authorized and directed to charge the amount of \$1,095.00 for the balance of deficiencies owed, which are calculated as itemized below, and any additional required fee, to Deposit Account No. 13-2855.
